BLENDTEC® UPGRADES THE AWARD-WINNING STEALTH 875™—
KNOWN FOR QUIET STRENGTH AND INNOVATIVE DESIGN

Add frozen beverages to the menu without disrupting patrons with the newest version of the world's quietest, most intelligent commercial blender: Blendtec® Stealth 875™. Boasting an industry-leading 15-amp motor and 42 pre-programmed blend cycles, this award-winning¹ blender can serve more than 200 customers per day. With the industry's first illuminated touch control surface and a USB port, operators can deploy online programming development to ensure quality and consistency. Upgraded sound-dampening enclosure enables quiet blending without sacrificing power or performance. Available in black or stainless steel. All blenders come with a three-year warranty and are eligible for the Service Plus™ program—providing long-term security to customers. For more information, visit Blendtec.com/Commercial or call 1-800-BLENDTEC.
