CREATE AN ALLERGEN-SAFE MENU WITH COLORED JARS FROM BLENDTEC®

Easily cater to customers with diverse dietary restrictions using colored jars and lids from Blendtec®. With May's National Celiac Awareness Month highlighting the need for allergen-safe menus, it is imperative for operators to find unique solutions to show patrons they care. These color-coded containers help employees quickly select the right jar every time, reducing cross-contamination risks. Blendtec's colored jars are safe, strong and can be customized by adding labels to further reduce risk. BPA free and NSF certified, colored jars are compatible with all Blendtec blenders and come with a one-year warranty. For more information, visit Blendtec.com/Commercial or call 1-800-BLENDTEC.
