**BLENDTEC® LAUNCHES THE NEW CHEF 775™ BLENDER—  
COMPLETE WITH HIGH-END FEATURES AT AN AFFORDABLE PRICE**

To support operators looking to jumpstart their menu or beverage program, Blendtec® introduces the new Chef 775™ blender. This powerful, high-tech appliance features a 1775 watt direct-drive motor and a touch screen interface for the ultimate convenience. Easily create signature dishes such as fresh hummus, delicious smoothies or satisfying margaritas. With this blender, operators can conveniently serve up to 100 patrons a day with consistency that keeps customers coming back for more. This blender is compatible with all of Blendtec's jars and available in four classic colors. All blenders come with a three-year warranty and are eligible for the Service Plus™ program—providing long-term security to customers. For more information, visit [Blendtec.com/Commercial](http://Blendtec.com/Commercial) or call 1-800-BLENDTEC.
